

XALO Limitless FAQ

What is XALO Limitless?

XALO Limitless is an all-natural energy drink alternative. We take electrolyte-rich coconut water, add the natural energy of green tea, taurine and Korean ginseng, then finish it off with a mangosteen boost.

What are the key ingredients in XALO Limitless?

XALO Limitless features an all-natural blend of GABA (gamma amino butyric acid), Korean ginseng, taurine, apple extract, green tea, mangosteen powder and coconut water.

How do I take XALO Limitless?

XALO Limitless is not for everyone and should not be taken if you are on heart medication or on blood thinners. Begin with ½ serving and increase to 1 serving. Limit intake to one serving daily.

Can I take XALO Limitless with XANGO[®] Juice?

Yes, XANGO Juice and XALO Limitless can be taken together.

Can children take XALO Limitless?

No. XALO Limitless is formulated and recommended for adults (18+) only.

Can I take XALO Limitless if I am pregnant or a nursing mother?

No. Although the ingredients in XALO Limitless are safe, and this product is recommended for adult use (18+), it is not intended for use during pregnancy or by nursing mothers.

How much caffeine is in XALO Limitless?

XALO Limitless contains 150mg of naturally occurring caffeine from green tea. If you are currently on any heart medication or blood thinners, we do not recommend taking XALO Limitless.

What do GABA (gamma amino butyric acid) and Gotu Kola do in the body?

GABA is a neurotransmitter that provides a calming effect on the body.* Gotu kola is used to improve blood circulation to the brain.* Both of these ingredients are included in XALO Limitless to help your mind focus on the task at hand.

Why are Korean ginseng, taurine, and green tea added to the formula?

This combination of ingredients is included in the formula to provide a natural energy boost.

Why does XALO Limitless include coconut water?

Coconut water contains naturally occurring electrolytes that hydrate your body.
